

ORGANISATION, SKILLS, PROFESSIONALS, MONEY.

② AT HOME: - Explain the ARF concept, working, organisation, respect in 3rd world.

NON COMMUNAL APPROACH
- areas in which people work in its organisation.

Success record.

Give candid examples.

Full participation, ownership, by villages.

Addressing - administrative } organisations
social } skills

↑ improving skills - agriculture
- livestock

- Education/Health

- problem identification

- problem solving.

providing approp. technology.

training personnel - locally
- outside to come back take over.

- teachers
- health care workers.

- livestock management

agriculture
economy
etc.

③ ARF - is vehicle thru which you (at home)

→ can participate / help / feel involved.

→ ambassador in your own environment - friends
- colleagues work
- social clubs
- contacts.

- Spread ARF "message"

- arrange "social" get togethers

(i) & personally involved - skills,

paid / volunteers; thru ARF network - RSP
HS
ES.

- business
- industry
- government
- university

co-ordination
other NGO's
National local
Government
International
bodies

V.O.
Social
organisers
women's
organ.

(2)

① Not our job to identify needs for them.

② Their environment — special needs
— language
— cultural
— educational. / own people live amongst them.

③ Experts + professionals.

— Considerable thought + planning has to be done prior to initiating any project.

— acceptance by the village people

— understanding of the project. ability to run + maintain

Administrative skill

Technical skills.

Co-operation.

its effect on their culture of life
Sensitive to way of life
to local / national government agenda.

— AKRSP — should be able to see how it can extricate itself in time + project
Continue to run + provide benefit

Call of us on trip to part. identify one need. — all ramifications e.g. build school

① AT HOME: — spread the knowledge of their living conditions, problems, Education / health needs.
talk candidly in what we saw in villages / cities. / adults / children / women.
Culture / religion.
Contrast it subtly to what we have here.

Sati's faction out of help + phrase knowing make + difference to some one's life or family.

Awaken the social conscience.
Kindle desire to participate
Give idea of enormity of the task to do alone. NEED NETWORK
