Dear

Alnoor,

As you may already be aware, the Aga Khan Foundation Canada is organizing a Volunteer Awareness trip to visit AKF social development projects in India and Pakistan, and I would be pleased if you were able to join us on this trip.

The purpose of the Volunteer Awareness trip is to provide you, as a key member of the Jamat, an increased awareness of Imamah Third World activities and to enable you to see, on a first hand basis, the beneficial impact of these for the Jamat and the various other communities.

With the increased understanding and appreciation of Imamah activities, I am sure that you will be able to play an even more significant role in promoting the objectives and work of the Foundation.

The duration of the trip is scheduled from Sunday, October 22, 1989 to Monday, November 6, 1989 and thereafter would include an opportunity to attend the A.K.U. Convocation Ceremony in Karachi from November 6-12 1989, if you wish.

The itinerary during the trip will include visits to selected primary health care programs, teacher education programs, and women's income generating projects. In addition, three days will be spent in the northern areas of Pakistan in the Gilgit/Hunza areas with the team from AKRSP (Pakistan).

I would appreciate hearing from you if you are interested in participating in this exciting awareness program.

Yours sincerely,

Taj-ud-Deen Kurji
