

*Your generosity has helped to strengthen The Institute of Ismaili Studies so that it is better able to serve the needs of the Shia Ismaili Muslim Jamat and the Ummah at large. For this, you have the gratitude and admiration of the Imam-of-the-Time.*

*May your generosity bring you Barakah in all aspects of your lives and those of future generations of your family; may your generosity be rewarded with happiness and spiritual enlightenment; and may you have the opportunity to continue to serve the Jamat and the Imam-of-the-Time.*

*Agakhan.*
