Dear Mr. Abdulla,

We have received your application for financial assistance to enable you to pursue post-graduate training in Cardiology as a research fellow at Cedars-Sinai Medical Center in Los Angeles.

Your application is complete and we are pleased to inform you that you are qualified to participate in our annual June competition for Aga Khan Foundation Scholarships.

We will therefore present your request to the scholarship selection panel in June and inform you of its decision toward the end of the month.

With all best wishes.

Yours sincerely,
