Dear Dr. Abdulla:

We have received your letter of December 8 in which you explain the reasons for your decision to transfer to the University of Southern California to work under the direction of Dr. Rahimtoola starting July 1st, as well as copies of the letters from Cedars-Sinai and USC offering you positions for next year.

As Mrs. Pfitzer told you over the phone in November, the transfer to USC would present no problem as far as your scholarship was concerned and the Aga Khan Foundation will continue to sponsor you in 1981-82. However, we would like to know what financial arrangements you have made with USC and how much you will require from the Foundation, so that we can prepare your request for presentation to the panel and calculate next year's budget.
